

# AXEL

AS ONE Corporation

1-3147-41 Oil Bath OB-200K

## Features

- Box type bus series with built-in water tank
- PID control provides stable temperature control with high accuracy.
- The operation switch is panel waterproof (IP67 compliant).

## Spec

- Outer dimension (mm): 260 x 266 (280)\*1 x 243
- Chamber dimensions (mm): 225 x 188 x 150
- Water tank volume: 5L
- Body material: SUS430
- Water tank material: Stainless Steel (SUS316)
- Temperature settings range: Room temperature +5 - 200°C
- Temperature display precision: +/- 2°C
- Temperature sensor: K class thermocouple
- Temperature control system: Microcomputer PID control
- Timer setting range: 0 - 99 hours 59 minutes
- Attachable thermometer size:  $\phi 7$  -  $\phi 10$ mm
- Safety device: Temperature excessive rise prevention device, overcurrent prevention fuse, drip-proof switch
- Heater capacity: 750W
- Power supply: 100VAC 50/60Hz 800W
- Power cord: 2.5m 3P plug (with 2P conversion plug)
- Weight: 4.5kg
- Square tank
- \*1 ( ) is the dimension including protrusions.
- Model number: OB-200K

▶ Package size : 330×385×295 mm 5 kg
