

Hotplate

Model: **HD-RC01**

Magin Feature

- Digital PID Microprocesser Controller
- Max Temperature: 350 °C
- Over-temperature safe
- Easy to use
- Product made in Thailand
- Warranty: 1 year

Specifications

- Plate Dimension (WxL): 30 x 30 mm
- Body material: Body/Stainless steel (SUS304)
- Plate material: cast iron + ceramic coating
- PTFE coating max temp. 200 °C (option)
- Electrical wire: Silicone
- Heater: 1,500 watt
- Electrical supply: 220V, 50 Hz
- The seperate temperature controller is connected via 2m

T. max: 350 °C
